RE: FOIA EPA-R8-2013-008705

Dear Ms. Lee:

This is in response to your Freedom of Information Act request in which you requested documents from the East Helena RCRA index (documents requested were listed on the Request Description screen in FOIAonline and you included a 5 page attachment listing documents). Attached electronically are these documents with the following exceptions:

You withdrew your request for records 1065601, 1065602, and 1118530.

Also note that documents 1022587, 1060953, 1060724 and 1073948 are not included with the attached documents. These documents do not deal with the East Helena site and are not responsive to your request. These documents have been incorrectly filed in the East Helena files, but actually pertain to other sites. EPA is removing these documents from the East Helena files.

The billing for your request is attached electronically. Following is a breakdown of costs:

Search time 6.5 hours @ \$28.00/hour	\$182.00
Review time 1 hour @ \$28.00/hour	<u>28.00</u>
Total	\$210.00

If you have any questions regarding this response, please contact Debbie Clevenger at 406-457-5004. This concludes our responsibilities under the Freedom of Information Act.

Sincerely,

Julie A. DalSoglio, Director
Montana Office
